

Project update, April 2020

[Online version](#)

Dear friends,

You will understand that due to all the restrictions some of our work cannot be done, but we are quite busy editing productions and preparing new ones. Our follow-up team is available, as more people spend time online.

In preparation is a series about young people in the Bible. We start with a short drama sketch, e.g. from the life of Joseph, how he lost everything and ended up in prison. Then we focus on a present day 'Joseph', struggling with anxiety and uncertainty about the future. The third part is for lessons we can learn and apply. The clips will be short, for use on our Facebook page for young people, like we use clips from the series *Women in the Bible* very effectively on social media.

As general costs continue, this time is a financial challenge for us. We realise that that is the case for many of you as well, but if you could afford sending a donation for our ministry in general, that would be very much appreciated.

Women in the Bible

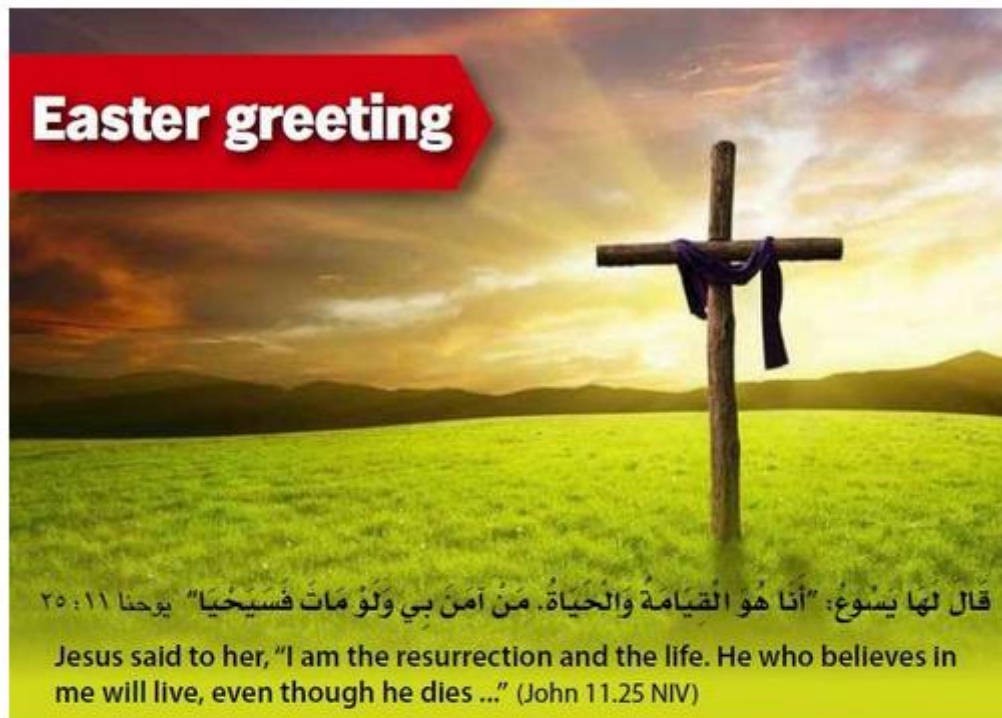

A Dutch woman who had bought the USB drive with all the episodes of *Women in the Bible* wrote to us: "Yesterday two Muslim ladies visited us with their daughters. We were reading in the Bible about the woman who was bleeding for twelve years, but they didn't quite understand the language. Suddenly I thought, 'I also have a video about this woman. Would you like to watch that?' After having watched the episode, one of the women said, 'Do you have more videos like this?' After a confirmative answer, she said, 'I want to watch all of them with my daughter.' There are some extra episodes with English subtitles on our YouTube channel, including [one on Jochebed, the mother of Moses](#). We'll post some more during the coming weeks. You can also order the USB drive with all the episodes.

Rahma and Lydia

In 2007 we started the production of *Maaki*, a series of portraits of Christian women. Since that year we have produced four seasons of *Maaki*. We have seen how these programmas have been used to encourage people, as the focus is on God's faithfulness in their situations and not on a solution for the problems. For this fifth season we have interviewed several refugee women from countries like Syria and Iraq. Watch [the trailer](#) of the *Maaki* series and read the heartbreaking stories of Lydia and Rahma in [the newsletter online](#).

The resurrection and the life...

Easter greeting

قال لها يسوع: "أنا هو القيامة والحياة. مَنْ آمَنَ بي وكَلَّمَاتِ فِسيخيا" يوحنا ١١ : ٢٥

Jesus said to her, "I am the resurrection and the life. He who believes in me will live, even though he dies ..." (John 11.25 NIV)

As Arab Vision team we would like to wish you a meaningful Easter. May the resurrection of our Lord Jesus be our hope and joy. Even when our doors are locked, Jesus comes and stands among us, saying 'Peace be with you.' (John 20.19) Click on the picture and you will hear a beautiful Easter song.
